

PROGRAM UPDATE (6.17.20)

As the state continues to lift the restrictions put in place to help stop the spread of Covid-19, Teamworks will be reopening the facility in phases based on what we're able to offer under the guidelines. We have a number of different programs that we offer and we are trying to navigate our best next steps with your health and safety in mind. As of June 17th, below are the current plans to proceed with each program.

- **ADULT LEAGUES-** Due to difficulties in the logistics of resuming play, all adult leagues that were in session will now end. New leagues will begin once Phase III is in place, which is expected to be in early-mid July. Please look for messages from the league director for more details.
- **RENTALS-** We are currently offering rentals on our indoor fields for youth participants only. Indoor adult rentals are not permitted at this time, but will be allowed during the state's Phase 3. Restrictions are in place due to state guidelines. Please inquire when booking. If you had any bookings scheduled during our closure, our directors will reach out to reschedule or discuss credit/refund options.

NEW SAFETY POLICIES & PROCEDURES

The safety of our customers and staff is our top priority. Below are some of the new policies and procedures that we have put in place to help keep everyone safe.

- **CONTACT-FREE REGISTRATION & PAYMENTS:** Teamworks is highly encouraging contact-free registration and payments. A guide is available on the Teamworks homepage.
- **INCREASED CLEANING & DISINFECTING:** In addition to the thorough cleaning the facility gets overnight, we have also increased our cleaning schedule throughout the day and taken steps to prevent the spread of diseases like Covid-19. In addition, we have purchased a germicidal UVC light sanitizer that will let us easily disinfect our turfs more often.
- **INCREASED HAND SANITIZER STATIONS:** New hand sanitizer stations have been added throughout the facility.
- **SOCIAL DISTANCING:** We are adding social distancing measures to our programs, where applicable. We also encourage social distancing outside of the playing surfaces and may have restrictions in place to ensure this occurs (i.e. limited or no spectators).

HELP US PREVENT THE SPREAD! Stay home if you are sick, have Covid-19, or have had direct contact with someone who has Covid-19. We also highly encourage wearing masks when not participating in an activity and to wash your hands regularly, as recommended by the CDC.
