

Dear Potential Camp Staff:

Thank you for your interest in working at TEAMWORKS Summer Camp. This summer will be our 25th summer season full of memories, friendships, fun, and opportunities for growth and discovery. Our summer camp has grown extremely fast over the years, and is known for our **exceptional counselors**.

Teamworks is in the process of hiring top quality summer staff right now and will be hiring counselors from local high schools, colleges, and other professional educators. Our goal is to find applicants that truly enjoy spending time with children, forming friendships with them, and impacting their lives.

Working at summer camp is a fun, enriching, and a memorable way to spend your time developing relationships that last a lifetime. The skills you will learn and develop at camp are extremely valuable assets that will last for the rest of your life. Leadership, working as a team, responsibility, and accountability are all important qualities that many colleges and jobs are looking to see in their applicants, and all of these are developed and enhanced in our summer camp setting.

If this sounds interesting to you, complete the attached application and return it to us as soon as possible. Please remember that we are looking for applicants who can work all summer long as well as some part-time positions. We do understand time off for family vacations, but availability will be a factor for all of our potential employees. In addition to an application, the following items are also necessary for employment at our summer camp.

In order to be considered for counselor, lifeguard or specialist position, the following paperwork must be filled out and passed in.
