

COVID-19 UPDATE (4/7/2020)

From our Teamworks family to yours, we hope you are all staying safe and healthy! Although these will be trying times for us as a company, we want to assure you we will be here and ready for your return when it is safe! We have a couple of different program offerings at Teamworks and we are trying to navigate our best next steps with your health and safety in mind. As of April 7th, this is how we are currently planning to proceed with each program.

- **Adult Leagues**- We plan to restart the sessions where we left off as soon as it is safe. We will update future session dates as soon as we have a better idea of when we can reopen.
- **Rentals**- If you had any bookings scheduled during our closure, our directors will reach out to reschedule or discuss credits/refund options.

We have appreciated your patronage over the last 20+ years and we're looking forward to seeing everyone again soon. In the meantime, we're taking steps to help everyone feel safe when they come back to play. In addition to a thorough cleaning of the facility and added hand sanitizer stations, we've purchased a germicidal UVC light sanitizer that will let us easily disinfect our turfs more often. The safety of our customers and staff is our top priority!
