HEALTH POLICIES AND GUIDELINES

Teamworks Adventure Camp does have a healthcare consultant on-call. Our consultant has advised us on our health policies, and will always be available to advise us in both acute and chronic medical situations. As part of our health care policy, Teamworks cannot accept any child with a diagnosed communicable disease (measles, mumps, chicken pox, COVID-19, ebola, etc). Please do not send your child to Teamworks Adventure Camp if he/she shows signs of possible contagious diseases (new cold, sore throat, fever, rashes, diarrhea, vomiting, etc). Teamworks does not have sufficient staff or facilities to care for sick children. A parent should not bring their child to our facility if he/she is too ill to participate in activities, if the child requires special attention due to their illness, or if any signs of poor health are evident. The health of all children and staff is in jeopardy if an ill child is allowed to attend. Parents must notify the staff if their child has been exposed to an infectious disease so we can alert the families of the children attending the program. If during the day the Teamworks Adventure Camp staff notices a child is unable to participate in activities due to poor health, the parent will be called to come and pick up the child. If a parent cannot be reached, an emergency contact will be called. It is the responsibility of the parent to notify Teamworks Adventure Camp if there should be any changes regarding emergency numbers or contacts. If you decide that your child should remain at home, please call 978-727-7675 and inform us of the absence.
