2019 Application for Lifeguard/Swim Instructor Staff Only

Dear Potential Lifeguard/Swim Instructor:

We invite you to apply for this position at TEAMWORKS for the Summer Season. This summer will be our 22nd summer season full of memories, friendships, fun, and opportunities for growth and discovery. Our summer camp and swim lessons have grown over the years and Teamworks is known for our exceptional counselors and lifeguards/swim instructors.

TEAMWORKS is in the process of hiring top quality summer staff right now and will be hiring lifeguards/swim instructors from local high schools, colleges, and other professional education areas. Our goal is to find candidates that truly enjoy spending time with children, forming friendships with them, and impacting their lives as well as maintaining a safe swimming pool environment.

Working at Teamworks as a seasonal lifeguard/swim instructor is an enriching, and a memorable way to spend your time developing relationships that last a lifetime. In this position you will learn and develop special skills and valuable assets that will impact your life. Leadership, working as a team, responsibility, and accountability are all important qualities that many colleges and jobs are looking to see in their applicants, and all of these are developed and enhanced in our seasonal camp/pool setting. We are seeking both experienced and newly certified lifeguards that are open to learning and understanding our pool and pool programs.

If this sounds interesting to you, complete the attached application and return it to Teamworks as soon as you can. All LG applications will be reviewed on a first come first served basis. Please remember that the 'ideal candidate' will be available to work part-time most of the summer (13 weeks Jun 3- Aug 30) with only a few requests off. Limited availability will not automatically disqualify you if you also have weekend flexibility. We are looking for well rounded, communicative and cooperative candidates that are eager to learn about our pool and pool programming. Teamworks will also consider applicants that cannot work until their high school year is completed, as long as you are able to attend staff trainings.

In order to be considered for a lifeguard/swim instructor position, the following paperwork must be completed in its entirety and returned:

- *Completed Lifeguard/Swim Instructor Application*
- *Proof of valid Lifeguard certification (or ability to obtain LG cert prior to June 10)*
- *3 written letters of recommendation per BOH requirement*

Thank you for your interest in the Teamworks Lifeguard/Swim Instructor position, we look forward to receiving your completed application. Completed applications are reviewed in order of receipt. If you have any questions, please feel free to call us.

Sincerely,

Teamworks Northborough
